

send Pierre the code. | Shuiv the problem

$\sqrt{N} \mapsto \sqrt{n}$   
Check Slutsky

bootstrap the blocks together!

$$A_n = A_n^{-1} \quad ( \quad )$$

Need to set up an environment

Wednesday 3am

run cnda

start a cnda environment.

( ) ( ) ( )

within cnda into niter / cnda.

design matrix with 2 columns

mean is zero in some parts

simulate under signal in blobs  
& on the brain data.

run cluster size inference  
and then FDP.  
look at FDP within clusters.
